

All My Days

Lucky Fonz III

G C G C G C G
All my days, all my days, all my days go by
C G C
in thoughts of dream, in dreams of thought
G C G
always on the how and why
D7 B7
but even when the sun comes up,
Em D C7
even when the sun comes down
G C G C
I love you still, I always will,
G C G
and I m never gonna turn around

whistle-solo:

G - C - G - C - D (2x)

All my nights, all my nights, all my nights go by
in the haze of smoke, in the smoke of haze
in the arms of every girl and guy
but even when the sun comes up,
even when the sun comes down
I love you still, I always will,
and I m never gonna turn around

whistle-solo:

G - C - G - C - D (2x)

All my friends, all my friends, all my friends go by
dressed in white, in the whitest of dress
everyone with stars in their eyes
but even when the sun comes up,
even when the sun comes down
I love you still, I always will,
and I m never gonna turn around
