

I should have run away

**F**

What a summer day

**F** **Am**  
Papa donâ€™t know what I, what Iâ€™ve been dreaming

**G** **F**  
Papa donâ€™t know what Iâ€™ve been dreaming about

**F** **Am**  
Well daddy donâ€™t know what Iâ€™ve been building  
**G**

Well daddy donâ€™t know what Iâ€™ve think of

**C**  
Daddy donâ€™t know what Iâ€™ll give away

**F** **Am**  
When they told me boy

**D**  
Youâ€™ll have to follow

**Gm**  
I grabbed a hand of sand

**C**  
I threw it in their face

**F**  
I told them to go off

**D**  
And find another in my place

**Gm**  
I should have kept my calm

**C**  
I should have run away

**F**  
What a summer day

**Fm** **D#** **G#**  
When you were young how your friends

**Fm**  
Came out of the sky above

**Bbm** **G#** **D#**  
Oh bless the sunlight on their face

**Fm** **D#** **G#**  
When you were young how your friends

**Fm**  
Took you to the secret ball

**Bbm** **G#** **D#**  
Oh bless the sunlight on your face

**F** **Am**  
Mama donâ€™t know what I, what Iâ€™ve been dreaming

**G** **F**  
Mama donâ€™t know what Iâ€™ve been dreaming about

**F** **Am**  
Mama donâ€™t know what Iâ€™ve been building

**G**

Well mama donâ€™t know what Iâ€™ve think of

**C**

Mama donâ€™t know what Iâ€™ll give away

**F**

**Am**

When they told me boy

**D**

You have to call her

**Gm**

I grabbed a hand of sand

**C**

I threw it in their face

**F**

I told them to go off

**D**

And find another in my place

**Gm**

I should have kept my calm

**C**

I should have run away

**F**

What a summer day
