To be across the ocean

Am C
Ah see my wings unfolding
Am C
The heart a flower open
G D Am C Am
Just forget the little that you know

Am C
I m riding with my lady
Am C
Her body hard against me
G D
My Lesbia my queen of little rooms

Evangelists are singing
Am C
The sunday bells are ringing
G D
She takes me spinning through the afternoon

Em B7
And she waits for me to come
C G
And my head begins to hum
D Em
You re the one that I adore
D Em
You re the one that i adore
