G **C**
You re lovely to me yes you are
G **D**
We ve traveled together
C
We ve traveled so far
G **D**
Your tongue it is wise
C **D** **Dsus4** **D** **Dsus4**
And there s love in your eyes deep and blue

G **C**
You re lovely to me yes you are
G **D** **C**
And venus ascending is surely your star
G **D**
I ve seen how you shine
C **D** **Dsus4** **D** **Dsus4**
But I can t make you mine it is true

Em **C**
You re a midsummer mountain in bloom
G **Am**
Heather and linden, the fruit of your womb
C **Em**
There s honey and sap in the couch of your lap
D **Dsus4** **D** **Dsus4**
Lady day

Em **C**
There s nothing you would not provide
G **Am**
When all is despair you are there at my side
C **Em**
It is you that is near it is you that gives ear
D **Dsus4** **D** **Dsus4**
when I pray

G **C**
You re lovely to me yes you are
G **D** **C**
You ve been out on the road with a craving for tar

G **D** **C**
You know what you need yes you re canny in deed
D Dsus4 D Dsus4
And in name

G **C**
You re lovely to me yes you are
G **D** **C**
And I ll see you tonight in a local bar
G **D**
We ll be wed before dawn and by morning
C **D Dsus4 D Dsus4**
We re one and the same

Em **C**
The old ones they knew you my love
G **Am**
They set you to reason and sullied a dove
C **Bm** **D Dsus4 D Dsus4**
But how could they try you or demystify you with words

Em **C**
You re a city that s pulling me still
G **Am**
You keep me from sleeping and strengthen my will
C **Bm**
The gates they are strong but they open for song I
D Dsus4 D Dsus4
have heard

G **C**
You re lovely to me yes you are
G **D** **C**
You re the beautiful one that time cannot mar
G **D**
Your lost in the eyes of my love
C **D Dsus4 D Dsus4**
as she cries all for joy

G **C**
You re lovely to me yes you are
G **D** **C**
You re the elusive chord on my old guitar
G **D**
You re hidden neath veils that our love making fails
C **D Dsus4 D Dsus4**
to destroy

Em **C**
There s all I desire in your voice
G **Am**
I fear I am bold but you leave me no choice
C **Bm**

You know that to ask me to turn from my task would be

D Dsus4 D Dsus4

vain

Em **C**

You re a rose that for no man will yield

G **Am**

You have many names and all of them sealed

C **Bm**

Your empire is vast from the first to the last you

D Dsus4 D Dsus4

remain

G **C**

You re lovely to me yes you are

G **D** **C**

It s war all the time but you bare no scar

G **D** **C**

You glitter like sand as it runs through my hands to

D Dsus4 D Dsus4

the sea

G **C**

You re lovely to me yes you are

G **D** **C**

You re my drunken companion it s right that you are

G **D** **C** **D Dsus4 D Dsus4**

Your love takes me higher your love is the fire in me
