Bm A G D Bm

You re a strange torpedo on the loose

Bm A G D Bm

You re a strange torpedo on the loose

And I ll play the fool, and I ll play the fool

I see the blood rushing to your head

Your words are slurred and your cheeks are red  
You d do anything to stop pretending

Can t have regrets when you can t remember them

You are one of a kind, I cannot lie

You re wild when your body s in overdrive  
And I m more surprised every time you re alive

When I check for your breath in the morning

Ooooooh ooohh-oooooh

Ooooooh ooohh-oooooh

You re a strange torpedo on the loose

You re a strange torpedo on the loose

You re a strange torpedo on the loose

And I ll play the fool, and I ll play the fool

I thought you d hit rock bottom

But I m starting to think that it doesn t exist

Cause you ve been falling for so long

And you haven t hit anything solid yet

I thought you d hit rock bottom

But I m starting to think that it doesn t exist

Cause you ve been falling for so long

And you haven t hit anything solid yet

Ooooooh ooohh-oooooh
