

Extra Ordinary
Lucy Hale

F **C**
I m imprisoned, I m living a lie
Dm **Bb**
Another night of putting on a disguise
F **C**
I wanna tear it off and step in the light
Dm **Bb**
Don t you, donâ€™t you?

C **Bb**
So now I m knocking at your front door
C **Bb**
And I m looking for the right cure
C **Bb**
I m still a little bit unsure
C
Cause I know,
Bb C
Yeah I know

F **C**
That most people see me as ordinary
Dm **Bb**
But if you look close you ll find I m very
Dm **C**
Interesting and hard to know
Bb **C**
You can never tell where this might go
F **C**
Cause I m not your average, average person
Dm **Bb**
I don t know much, but I know for certain
Dm **C**
That I m just a little bit extra, extra
Bb **Bb** **F**
I m just a little bit extra ordinary

F **C**
I can see it from the spark in your eyes
Dm **Bb**
You believe in all the things you deny
F **C**
You wanna fly and leave your worries behind
Dm **Bb**

Don't you, don't you?

C **Bb**
So now I'm knocking at your front door

C **Bb**
And I'm looking for the right cure

C **Bb**
I'm still a little bit unsure

C
Cause I know,
Bb C

Yeah I know
