

Extra Ordinary
Lucy Hale

G# **Eb**
I m imprisoned, I m living a lie
Fm **C#**
Another night of putting on a disguise
G# **Eb**
I wanna tear it off and step in the light
Fm **C#**
Don t you, donâ€™t you?

Eb **C#**
So now I m knocking at your front door
Eb **C#**
And I m looking for the right cure
Eb **C#**
I m still a little bit unsure
Eb
Cause I know,
C# Eb
Yeah I know

G# **Eb**
That most people see me as ordinary
Fm **C#**
But if you look close you ll find I m very
Fm **Eb**
Interesting and hard to know
C# **Eb**
You can never tell where this might go
G# **Eb**
Cause I m not your average, average person
Fm **C#**
I don t know much, but I know for certain
Fm **Eb**
That I m just a little bit extra, extra
C# **C#** **G#**
I m just a little bit extra ordinary

G# **Eb**
I can see it from the spark in your eyes
Fm **C#**
You believe in all the things you deny
G# **Eb**
You wanna fly and leave your worries behind
Fm **C#**

Don't you, don't you?
