Lucy Kaplanski You Just Need A Home by Lucy Kaplansky

D
I like the way you play your songs
D/C
I like the way you sing
G C G
You look so good in colored lights
C D
And the brilliant spotlight rings
D
And up there your eyes are fiery
D/C
And hotter by degree
G C G
But weary and so confused
C D
When no one else can see
D
So you need to feel the fire
D/C
When you feel it start to go
G C G
To feel the heat of all those lights
C D
Long after the show
D
And you need it so much now
D/C
You don t even know
G C G
All the world s a stage to you
C D
Then where else can you go
G A D
You could come away with me tonight
