

All Ive Got
Lucy Rose

Again, If you ve heard the song then this should be a piece of cake. It s a good song. Have fun ;)

C **F**
Trying too hard to make a smile to notice
G
Being the one
Am **C**
Since you thought that you weren t mine

C **F**
Even when I feel like I ve lost my way
G
It would only last today
C
Till I know that I am yours

F C **G**
Because all I have is everything
I m giving to you
F **C** **Am**
And all I ve got is you
F **C**
It s nothing but the truth
G **C**
All I ve got is you

C **F**
And you say just one small word
And I ll change my mind
G **Am** **C**
Sometime it s not so easy to find

C **F**
All the words are all mixed in my head
G
Trying too hard to make some sense
C
When I know deep down you know

F C **G**
Because all I have is everything
I m giving to you
F **C** **Am**
And all I ve got is you
F **C**
It s nothing but the truth

G **C**
All I ve got is you

F **Am** **C**
So you take me by the hand

F **Am** **C**
Take me places I don t know x3

F C **G**
Because all I have is everything
I m giving to you

F **C** **Am**
And all I ve got is you

F C **G**
Because all I have is everything
I m giving to you

F **C** **Am**
And all I ve got is you

F **C**
It s nothing but the truth

G **C**
All I ve got is you

F **C**
Yeah it s nothing but the truth

G **C**
All I ve got is you
