[Verse]
```
G#                   C#          Eb
It s taken me a while to tell you
G#               C#             Eb
Exactly how I feel inside
G#                     C#             Eb
The words may seem so simple right now
