Were going round and round and up and and down,

turning something inside out.

**Cm Eb**

Were driving from the backseat,

**Cm Eb**

holding on to tightly

**Ab**

Were going round and round and up and and down,

turning something inside out.

**Cm Eb**

Were driving from the backseat,

**Cm Eb**

holding on too tightly.

**Bb Cm Ab F**

The colors they merge they scream they shout.
