

Dont You Worry  
Lucy Rose

(NO CAPO)

**B**            **A**            **E**                    **B**  
You ll take me home tonight  
          **A**            **E**                    **B**  
We both know that  
          **A**            **E**                    **B**  
You hold my arm firmly  
          **A**            **E**  
And say oh please, don t leave

**A**                    **B**  
Don t you worry  
**E**                    **A**  
Cos I m staying here  
          **B**  
Don t you worry  
**E**                    **A**  
Cos I m not leaving  
          **B**                    **E**  
Don t you worry  
                                  **A**                    **B**  
Cos I ll stay here with you, with you  
                                  **E**  
And I ll stay here with you, with you

**B**            **A**            **E**                    **B**  
You say it s time to leave  
          **A**            **E**                    **B**  
Cos It s getting dark  
          **A**            **E**                    **B**  
Feet moving on their own  
          **A**            **E**  
We trust they ll take us home

**A**                    **B**  
Don t you worry  
**E**                    **A**  
Cos I m staying here  
          **B**  
Don t you worry  
**E**                    **A**  
Cos I m not leaving  
          **B**                    **E**  
Don t you worry  
                                  **A**                    **B**  
Cos I ll stay here with you, with you

**E**

And I ll stay here with you, with you

**B**

**A**

So, won t you save me now (x4)

Save me how

**A**

**B**

Don t you worry

**E**

**A**

Cos I m staying here

**B**

Don t you worry

**E**

**A**

Cos I m not leaving

**B**

**E**

Don t you worry

**A**

**B**

Cos I ll stay here with you, with you

**E**

And I ll stay here with you, with you
