

**Middle Of The Bed**

**Lucy Rose**

[Verse 1]

**Bm**        **D**        **G**  
I sleep in the middle of the bed  
**Bm**                    **D**        **G**  
You don t know, is it fine to hold my hand?  
**Bm**        **D**        **G**  
I sleep in the middle of the bed  
**Bm**        **D**                **G**  
Sun slips through my cold hands

[Pre-Chorus]

**Em**  
Do you really want me back?  
**Em**                                **G**  
Do you really want me back?

[Chorus]

**Bm**        **D**  
Cause I m over it, over you  
**G**  
All over the town they say I love you  
**Bm**                    **D**  
I m over it, I m over you  
**G**  
All over the town  
**Bm**                                **D**  
They say I love you, yeah  
**G**  
They says I always will  
**Bm**                                **D**  
They say I love you, yeah  
**G**  
These wounds, they won t heal

[Verse 2]

**Bm**        **D**        **G**  
I talk to myself at night  
**Bm**                    **D**        **G**  
Better still when the lights are turned out  
**Bm**        **D**        **G**

I talk inside my head

**Em**                    **D**                    **G**

Better if nobody knows what I said

[Pre-Chorus]

**Em**

Do you really want me back?

**Em**    **G**

Do you really want me back?

[Chorus]

**Em**                    **D**

Cause I m over it, over you

**G**

All over the town they say I love you

**Em**                    **D**

I m over it, I m over you

**G**

All over the town

**Em**                    **D**

They say I love you, yeah

**G**

They says I always will

**Em**                    **D**

They say I love you, yeah

**G**

These wounds, they won t heal

[Bridge]

**D**                    **A**

It s all over the town

**G**

You re spreading the rumours (x2)

**D**                    **A**

If you knew me at all

**G**

You should all know my answers (x2)

[Chorus]

**Em**                    **D**

They say I love you, yeah

**G**

They says I always will

**Em**                    **D**

They say I love you, yeah

**G**

These wounds, they won't heal (x2)

**G   A   Bm   D**

The sun slowly falls through
