

I Want The Sky
Lucy Schwartz

Listen to the ukelele in the song for the strumming pattern or do your own :)

C **F**
Iâ€™m ready, ready to run free
G **C**
Iâ€™d like to know what lies beyond the blue sea
C **F**
You live once, so drink the honey
G **C**
I learn my lessons from the birds and the bees

C **G**
I want the sky to open wide
Am **F**
Illuminate this fire inside
C (**G, Dm**)
I want the sky

C **F**
These buildings, high above me
G **C**
Are so much taller than the pictures Iâ€™ve seen
C **F**
I donâ€™t got a lot of money
G **C**
But I got you and baby thatâ€™s all I need

C **G**
I want the sky to open wide
Am **F**
Illuminate this fire inside
C (**G, Dm**)
I want the sky

C **F**
Iâ€™m ready, ready to run free
G **C**
Iâ€™d like to know what lies beyond the blue sea
C **F**
You live once, so drink the honey
G **C**
I learn my lessons from the birds and the bees

C **G**
I want the sky to open wide
Am **F**
Illuminate this fire inside
