Brackets () for piano
Enjoy!

```
F                         C              (C#-single piano note)
   I know you, with your  heart of blue
Dm                             Bb
   You take your troubles and  release the sound
F                  C              (C#-single piano note)
   Into the open,    up from the ground
Dm                         Bb
   These words unspoken,    you sing aloud

F           C          Dm          Bb
Dah ahhh........ah........ah............

F                                C              (C#-single piano note)
   Words can be strong, like the    beating drum
Dm                                Bb
   Like ten thousand voices that    call together
F                 C
   A is the ailment,   B makes it better
Dm                        Dm
   C is creating your    life in letters
```

[Chorus]
(Strum 3 times) (Piano play three times for each chord)
```
F F F    C C C     Dm Dm Dm  C
   ohoh    ohoh         life in letters      >X2
```

[Back to verse]
```
F                           C              (C#-single piano note)
  So take me back, I have    lost the path
Dm                          Bb
   I need to recover this     life you lead
F                      C                    (C#-single piano note)
   Sing when I m broken   sing when i m free
Dm                           Bb
   Sing for the world and then    sing just for me
```

F , C , Dm , Bb
We are just stories, so here s mine to tell
Give my heart freely, hope you keep it well
A is the ailment, and B makes it better
C is creating your life in letters

[Chorus]
(Strum 3 times) (Piano play three times for each chord)
