[Intro]

| C F | Am G | x2

[Verse 1]

C F  
We d been camping in my best friends garden  
Am G  
Until we all fell out about something or other  
C F  
Same night that we ran to the kitchen  
Am G  
Her mum called us chickens, we were scared of the thunder

[Pre-Chorus]

F G Am  
I called you up, said I want to come home  
G F  
You said you can but I think you should stay  
G Am  
I know that I didn t always listen  
G Am  
I miss your decisions and hearing you say

[Chorus]

(Am)  
Hurry up  
G  
Don t be late  
F  
It s on the side  
C G  
Your dinner s ready

[Verse 2]

**C**                                    **F**  
Every morning we'd all meet by the lockers

**Am**                                    **G**  
Thick as thieves till we learnt what love was

**C**                                    **F**  
I had my first heartbreak that summer

**Am**                                    **G**  
It might have hurt but it brought us together

[Pre-Chorus]

**F**                    **G**                                    **Am**  
I called you up, said I want to come home

**G**                                    **F**

[Verse 3]  
**C F**  
I've been married two years in June  
**Am G**  
My sister's had a baby too  
**C F**  
There's always kids in our spare room  
**Am G**  
When I'm with them I act like you

[Pre-Chorus 3]  
**F G Am**  
I call you up and I ask if you're home  
**G F**  
You say please drive down and see me today  
**G Am**  
I know that I didn't always listen  
**G Am**  
I miss your decisions, it's my turn to say
