A **Bm** **D**
Last night I told you I loved you, woke up, blamed it on the vodka.
I genuinely thought I was dying, then I could see that smile you were hiding.
Last night I told you I need you, that's the last time I drink tequila.
Super-Lemon and his sidekick Salt-Kid, I start crying and verbally assaulting.

A **Bm** **D**
Last night I asked you to marry me, that's when I remembered the brandy.
I wake up and claim I didn't say it, screwed if I ever wake up in Vegas.

A **E**
Wish I could stop and I'm not joking.
F# **D**
Drinking too much and socially smoking.

A **E** **F#** **D**
Wish I could stop, and start to behave and then wake up in the morning and
never miss a day again.

A **Bm** **D**
Last night, police had to frisk me.
In the cells thanks to Bell's fine whiskey.
I think I said too much, "Like, do you like my bracelets? Oh wait, they're
handcuffs."

A **Bm** **D**
Last night I said I want your babies.
Forget the ice, it's not nice to drink Bailey's. Yuuch.
I drink that much that I forget.
Whatever embarrassing thing I say next.

A **Bm** **D**
You said I got on one knee, and there's no way

Unless Iâ€™ve been drinking, oh wait, Rose!
Sailor Jerryâ€™s Rum I think I drank me a ship full.
Please, please, someone provide me a disâ€™ bro.

A **Bm** **D**
Last night I called you a loser.
I think that was after flaming Sambuca.
I shouted at you, â€œDo me a favor.â€•
And thatâ€™s when, I fell off the pavement.

A **E**
Wish I could stop and Iâ€™m not joking.
F# **D**
Drinking too much and socially smoking.

A **E** **F#** **D**
Wish I could stop, and start to behave and then wake up in the morning and never miss a day again.

A **Bm** **D**
â€˜Cause Iâ€™d love to learn when to shut my mouth.
Wake up in the morning and be in my own house.
Do one last shot, Iâ€™d know when to stop.
No more photos on Facebook of me doing the robot.

A **Bm** **D**
Know when to leave and when to lock my front door.
Stop waking up in cheese and in a bed full of people.
Sitting in a cupboard with by weird best friend.
But Iâ€™m only young so Iâ€™m not going to pretend.
I wish Iâ€™|

A **E**
Wish I could stop and Iâ€™m not joking.
F# **D**
Drinking too much and socially smoking.
A **E**
I donâ€™t really want to learn to behave.
F# **D**
Aâ€™men and I just missed another day again.
