

**Wild Mountain Thyme**  
**Lucy Wainwright Roche**

Wild Mountain Thyme  
performed by Lucy Wainwright Roche

This sounds like an old traditional ballad but I believe it was written by an Irish guy, McPeake in the 50 s. This is Lucy Wainwright Roche s version and in my humble opinion is the best one going around these days. Depending on your gender preference, you can Lassie instead of Laddie. Lucy plays it in C#. Not sure if she use capo on 1st fret however.  
Enjoy
