Cyborgs vs. Robots

Prepare the Preparations

As heavily electronic this song is, I thought it might be fun to put some chords to it for the hell of it.

E

You don't understand unless you reprogram

A

E

I try to assimilate, you still intimidate

A5

G5

E

But your iron fist will never knock me down, cos I'm powered

A5

G5

E

By a conscious right to conduct my life without fear

E

You are ten percent, thought without dissent

A

E

The rest is washed away, you cyborg of the state

E

You will never see such sweet autonomy

A

E

As you stray it all, from your protocol

A5

G5

E

But your iron fist will never knock me down, cos I'm powered

A5

G5

E

By a conscious right to conduct my life without fear

A5

G5

E

Your tyranny it burns my circuitry, and I won't stand by

A5

G5

E

I know my rights, and I will fight, fight, fight! YEAH!!!

A|-11-11-11--11-12-11----11-11-11--7-9-7-|

E

You re scanning the room for targets to consume

A

But your pulse is loud and clear

E

You persecute in fear
