Cyborgs Vs Robots Ludo Ludo Cyborgs vs. Robots Prepare the Preparations As heavily electronic this song is, I thought it might be fun to put some chords to it for the hell of it. Е You don t understand unless you reprogram Α Е I try to assimilate, you still intimidate A5 G5 Е But your iron fist will never knock me down, cos I m powered A5 G5 Е By a conscious right to conduct my life without fear E You are ten percent, thought without dissent Α Е The rest is washed away, you cyborg of the state Е You will never see such sweet autonomy Α Е As you stray it all, from your protocol Α5 G5 E But your iron fist will never knock me down, cos I m powered A5 G5 Е By a conscious right to conduct my life without fear Α5 G5 Е Your tyranny it burns my circuitry, and I won t stand by Α5 G5 \mathbf{E} I know my rights, and I will fight, fight, fight! YEAH!!! A -11-11-11--11-12-11----11-11-11--7-9-7-

You re scanning the room for targets to consume

Α

But your pulse is loud and clear

Е

You persecute in fear
