Hello, my name is your TV

E B G#m Ebm7
We ve been together so long, so many memories

E B G#m Ebm7
We ve solved so many problems, situated comedies

E B
I fed you ads and movie stars

G#m Ebm7 E
And you always fell asleep in my color bars

G#m Ebm7 B
But there s this world outside where the writing s off

E G#m
Scenes last too long and you lose the plot

Ebm7 B
All the girls they lie and they break your heart

E G#m
And nothing s done when the street goes dark

Ebm7 B E
Here see California, where pretty people dream

G#m F# E
And the good guy gets the girl by the sunny sea

B G#m Ebm7
And when they d yell upstairs you d cry

E B G#m Ebm7 E
Little boy inside their lies, in the dark I d watch your eyes

B G#m Ebm7 E B
And I know the way they laugh, the jackals feast behind your back

G#m Ebm7
Here you hide, but still they stab

E G#m
In the dark I feel you die

G#m Ebm7 B
In that world outside where the writing s off

E G#m
Scenes last too long and you lose the plot

Ebm7 B
All the girls they lie and they break your heart

E G#m
And nothing s done when the street goes dark

Ebm7 B E
Here see California, where pretty people dream

G#m Ebm7 B E
Now see that icy vacant lot where they made your nose bleed

G#m Ebm7 B E
The flannel spread, the heater on, the world is dead

G#m Ebm7 B
The sun is gone, you take my hand, I ll take you home

E G#m
You ll never have to be alone

G#m Ebm7 B E
The pictures warping slowly, the scrolling seems unending

G#m Ebm7 B E
The snowy edges blurring, the bars between us bending

G#m Ebm7 B E G#m
Feel you start to breathe, you are alive inside of me

G#m Ebm7 B E
Forever tan and strong and loved, you ll never bleed again

G#m Ebm7 B E
In dreamy California scenes where bad guys meet their destiny

G#m F# E
And the good guy gets the girl by the sunny sea
