D Bm F#m7  
Hello, my name is your TV

G D Bm F#m7  
We ve been together so long, so many memories

G D Bm F#m7  
We ve solved so many problems, situated comedies

G D  
I fed you ads and movie stars

Bm F#m7 G  
And you always fell asleep in my color bars

Bm F#m7 D  
But there s this world outside where the writing s off

G Bm  
Scenes last too long and you lose the plot

F#m7 D  
All the girls they lie and they break your heart

G Bm  
And nothing s done when the street goes dark

F#m7 D G  
Here see California, where pretty people dream

Bm A G  
And the good guy gets the girl by the sunny sea

D Bm F#m7  
And when they d yell upstairs you d cry

G D Bm F#m7 G  
Little boy inside their lies, in the dark I d watch your eyes

D Bm F#m7 G D  
And I know the way they laugh, the jackals feast behind your back

Bm F#m7  
Here you hide, but still they stab

G Bm  
In the dark I feel you die

Bm F#m7 D  
In that world outside where the writing s off

G Bm  
Scenes last too long and you lose the plot

F#m7 D  
All the girls they lie and they break your heart

G Bm  
And nothing s done when the street goes dark

F#m7 D G  
Here see California, where pretty people dream

Bm F#m7 D G  
Now see that icy vacant lot where they made your nose bleed

Bm F#m7 D G  
The flannel spread, the heater on, the world is dead

Bm F#m7 D  
The sun is gone, you take my hand, I ll take you home

G Bm  
You ll never have to be alone

Bm F#m7 D G  
The pictures warping slowly, the scrolling seems unending

Bm F#m7 D G  
The snowy edges blurring, the bars between us bending

Bm F#m7 D G Bm  
Feel you start to breathe, you are alive inside of me

Bm F#m7 D G  
Forever tan and strong and loved, you ll never bleed again

Bm F#m7 D G  
In dreamy California scenes where bad guys meet their destiny

Bm A G  
And the good guy gets the girl by the sunny sea
