Song: Love Me Dead

By: Ludo

[Intro]

Dm

[Verse 1]

Dm **A**

Love me cancerously

Dm **A**

Like a salt-sore soaked in the sea.

Gm

High maintenance means

A

You re a gluttonous queen.

Dm

Narcissistic and mean.

Dm **A**

Kill me romantically.

Dm

Fill my soul with vomit,

A **Gm**

Then ask me for a piece of gum.

A

Bitter and dumb;

Dm

You re my sugarplum.

Dm **C**

You re awful, I love you!

[Chorus]

F

She moves through moonbeams slowly

Dm

She knows just how to hold me

Bb

And when her edges soften

G **Ab**

Her body is my coffin

F

I know she drains me slowly

Dm **A**

She wears me down to bones in bed

Bb

Must be the sign on my head that says, oh...

Dm **A**

Love me dead!

Dm A

Love me dead!

[Verse 2]

Dm A

You re a faith healer on TV

Dm A

You re an office park without any trees:

Gm A Dm

Corporate and cold, gushing for gold, leave me alone

Dm A

You suck so passionately

Dm A Gm

You re a parasitic, psycho, filthy creature finger-banging my heart

A Dm C

You call me up drunk, does the fun ever start? You re hideous and sexy...

[Chorus]

F

She moves through moonbeams slowly

Dm

She knows just how to hold me

Bb

And when her edges soften

G Ab

Her body is my coffin

I know she drains me slowly
