Manta Rays

Prepare the Preparations

Intro/Verse/Chorus:

D A Bm G

D A Bm G
Manta rays above us, in the open sea, I wonder if you think of me

D A Bm
Now we re swimming deeper, nothing s as it seems

G
Creatures sailing silently

D A Bm
Or so I ve dreamed, since I met you, I ve been hollowed by your body

G
I ve been hypnotized by all you are, oh

D A Bm
All I want is to your name and whisper it in your ear

G D
But I m weightless like I m falling on the moon

A Bm G
I m falling slow for you

D A Bm
Driving through the darkness, we are glowing green

G
You re holding my hand to your cheek

D A Bm
This car is our vessel, our tires leave the ground

G
Up above the night sky, we re going home

D **A** **Bm**
Or so I've dreamed, since I met you, what secrets do you hide?

G
You tilt your head, there's a city inside

D **A** **Bm**
All I want is to your name and whisper it in your ear

G
With your arms around my neck

D **A**
You've haunted me in colors I've never seen

Bm
I feel strange and unprotected

G **D**
But I'm weightless like I'm falling on the moon

A **Bm** **G**
I'm falling slow for you

Bm **A**
Sailing through the dark to the lunar face

Bm **G**
Your pupils shining over time and space

Bm **A** **Bm**
We are two creatures each wrapped around the other without a sound

A **G**
Safe at home, falling slowly
