Intro/Verse/Chorus:

**C# G# Bbm F#**

**C# G# Bbm F#**  
Manta rays above us, in the open sea, I wonder if you think of me

**C# G# Bbm**  
Now we re swimming deeper, nothing s as it seems

**F#**  
Creatures sailing silently

**C# G# Bbm**  
Or so I ve dreamed, since I met you, I ve been hollowed by your body

**F#**  
I ve been hypnotized by all you are, oh

**C# G# Bbm**  
All I want is to your name and whisper it in your ear

**F# C#**  
But I m weightless like I m falling on the moon

**G# Bbm F#**  
I m falling slow for you

**C# G# Bbm**  
Driving through the darkness, we are glowing green

**F#**  
You re holding my hand to your cheek

**C# G# Bbm**  
This car is our vessel, our tires leave the ground

**F#**  
Up above the night sky, we re going home

**C#** **G#** **Bbm**  
Or so I've dreamed, since I met you, what secrets do you hide?

**F#**  
You tilt your head, there's a city inside

**C#** **G#** **Bbm**  
All I want is to your name and whisper it in your ear

**F#**  
With your arms around my neck

**C#** **G#**  
You've haunted me in colors I've never seen

**Bbm**  
I feel strange and unprotected

**F#** **C#**  
But I'm weightless like I'm falling on the moon

**G#** **Bbm** **F#**  
I'm falling slow for you

**Bbm** **G#**  
Sailing through the dark to the lunar face

**Bbm** **F#**  
Your pupils shining over time and space

**Bbm** **G#** **Bbm**  
We are two creatures each wrapped around the other without a sound

**G#** **F#**  
Safe at home, falling slowly
