Skeletons on Parade

Prepare the Preparations

Note: This is the most extensive tab I have submitted to this site. If I've made any and I'm sure there are a few, I can only hope that you will be understanding and As always, constructive comments and corrections are more than welcome. Also, I really it when people rate my tab(s)! Enjoy!

**Am** **Em** **Am** **Em**  
Behind a curtain of towering pines the sun's settling red

**F** **C** **E** **G** **E**  
A city hidden high in the hills comes out to honor the dead

**Am** **Em** **Am** **Em**  
Families somberly walk through the town they build alters and pray

**F** **C** **E** **G** **E**  
Clean the tombs and clutch rosaries and speak of better days

**Am** **E** **C** **F#m**  
From the edge of the island they ferry back to the shore

**F** **C** **G** **E**  
They climb under their covers and pray a little more

**Am** **E** **C** **F#m**  
In this ancient city of stone they sigh and bow their heads

**F** **E**  
The living seem rather, well...dead

**Am** **Em** **Am** **Em**  
The sun is down the earth shakes the wind doth howl

**Em** **F** **C** **E**  
And I'm making moves all across the park, we're stirring in the dark

**Am** **Em** **Am** **Em**  
The caskets squeak, the trees wheeze, the crypts all creak

**Em** **F** **C**

And toes sepulchered for months in months in dust

**E**

Are wiggling off their , woah

**Am** **Em** **Am** **Em**  
Shed your shrouds, slip your fingertips through the ground

**Em** **F** **C**  
Get those catacombs open I m hoping you ll join us

**E**

Everybody come on out, yeah

**Am** **C** **F** **C** **G**  
What a lovely, lovely night for a drink and a parade

**Am** **C** **E** **B** **Am**  
We ll dance until the morning light, this town should be afraid

**Am** **G** **Am** **G** **Am** **G** **F** **Am**  
Candied pumpkins, sweet egg bread, we love rising from the dead

**Am** **G** **Am** **G** **Am** **G** **F** **Am**  
Carpals, tarsals, vertebrae, that s us clicking on parade

**Am** **E** **G** **F#m**  
I move without any muscles, my skull s a cavernous hall

**F** **C** **G** **E**  
Tendons are made for pulling my friend, I don t need them at all

**Am** **E** **C** **F#m**  
Mescal in our mandibles and porridge on our ribs

**F5**

**E5**

Their prospects are looking quite grim

**A5** **G#5** **A5** **B5** **F5** **E5** **F5**  
**G#5** **A5** **B5** **C5** **D5** **C5**  
**A5** **G#5**

Board the mariposas now, set sail for the quivering light ahead

**A5** **G#5** **A5** **B5** **F5** **E5** **F5**  
We re descending on the town

The living we re scaring, nightmaring in fright

A|--7-6----7-----|  
E|-----3-2-----3----6-5-6-----9-----|

They ve waited forever to bring us together we finally wake them up tonight!  
E|-999999-888888-77777-0-5-|

Sweet riff:

e|-5-5-875-3-5-3-0-0--5-5-875-3--5-5-875-3-5-3-0-----|  
B|-----3-3-323-5---|  
G|-----2-|

Yock dehay!

**A5** G#5A5 **G5** **E5** C5 **A5** **E5**

**F5** **G5**

Note: This is basically the whole song, sans two of the breakdowns. I will  
update this  
soon, but I would hate to risk losing all the work I ve put into this, which has  
twice.
