

Topeka

Ludo

Ok, so I know that these chords are already here, but i think it would be effective to tell you where to switch. It s pretty natural. This is my first tab,
so, give me a break if it s not perfect!

G **Cadd9**
I found god in a catalytic converter
Em **D** **Cadd9**
In Topeka on a monday night

G **Cadd9**
I taste blood every time I think of summer
Em **D** **Cadd9**
If that s true I m in for quite a treat
G **Cadd9**
Cause I m beggin for the sun in a mid-missouri winter
Em **D** **Cadd9**
Waitin desperatly to get outta town
Em **D** **Cadd9**
No you can t keep a good man down

G **Cadd9**
Youâ€™ve been known to obsess over the future
Em **D** **Cadd9**
Do you think youâ€™ll get away from the past?
G **Cadd9**
As you stone yourself just to make it through â€™til midnight
Em **D** **Cadd9**
Consider what you might have found.
Em **D** **Cadd9**
You think youâ€™ve got a good thing now.

G **Cadd9**
I found God in a catalytic converter
Em **D** **Cadd9**
In Topeka on a Monday night.
G **Cadd9**
Every saint has a past, every sinner has a future
Em **D** **Cadd9**
So you know it keeps me hanging around.
Em **D** **Cadd9**
No, you canâ€™t keep a good man down.

G **Cadd9**
From here on you can count on all things going

Em **D** **Cadd9**
The way they must have from the start.

G **Cadd9**
All you feel is the current flowing through you

Em **D** **Cadd9**
And seizing your infected heart.

G **Cadd9**
I found God in a catalytic converter

Em **D** **Cadd9**
In Topeka on a monday night

G **Cadd9**
I found God in a catalytic converter

Em **D** **Cadd9**
In Topeka on a Monday night...

G **Cadd9**
Every saint has a past, every sinner has a future,

G **Cadd9**
Saint has a past, every sinner has a future,

G **Cadd9**
Saint has a past, every sinner has a future,

G **Cadd9**
Saint has a past, every sinner has a future,

Cadd9
Sinner has a future...
