Whipped Cream

Ludo

I haven t been playing guitar very long; this is just what I got from listening to the

a few times. It s transposed to a different key, but the chords all work for the key it \mathbf{s}

The chords played in the guitar-only interludes are actually variations on the standard

so play around with excluding certain strings until it sounds right :)

Am Dm

I want it with whipped cream on it

E An

Baby, gimme, gimme, gimme your love

Am Dm

Cause I m hungry, you can t keep it from me

E Am

Lord knows you got more than enough.

Am Dm

Baby, I, I m fiendin , I know you got your reasons

E Am

For keeping it to yourself

Am Dn

But you got plenty, honey, I don t think it s funny

]

Gotta give it, give it or else

Dm E

I might just lose my mind.

C G F C

I think I m entitled to your body, gotta little

C G F C

Problem with personal space and I ve been

C G F C

Poundin the jaeger; my breath and behavior

C G C

Have been driving the patrons away.
