Where is this place we ve come to, I don t know what to say[/tab]
We long to see each other and are frightened of that day

You met me in a barren place, you walked me to the hill.
We were so good for each other then, I know we could be still.

Chorus:

[tab] **G** **D** **C D**
You couldn t have come at a better time (3X)[/tab]

[tab] **C** **D**
Not if you tried, oh no (2X)[/tab]

[tab] **G** **D** **C** **D**
 We had 500 questions, between you and me.[/tab]
When you look into my eyes my love, tell me what you see.
Is it something you re not sure off is it something true and fine.
Or is it just another case of the right face at the wrong time.

[tab] **G** **D** **C D**
You couldn t have come at a better time (3X)[/tab]
