

Better Than Yourself

Lukas Graham

[Verse 1]

C#M

I got the letter back
Saying I can come and see you

B

I really don't have time
But promise that I'd come and see you

A

You're sitting far away

F#M

But do you know I sometimes need you

G#7

I know that you deserve the time you got of all the people

C#M

I know you never bend even in the strongest wind

B

I really wish to every God that you were innocent

A

F#M

I'm happy and I'm proud that I can still call you my friend

G#7

I hope you read the letters and the magazines I've sent

[Chorus]

C#M

B

You've got your head up, but I don't have my whole tide

A

F#M

I know that you are a good man and that's what brings the tear to my eye

C#M

And I'm like, Ohhhh...

[Interlude]

B

I hope you know you're not alone in that hell

A F#M

And there ain't Noooo

G#7

No one can change it. No one can do it better but yourself

[Verse 2]

C#M

I was sixteen when we used to roll together

B

You told me back then that I was meant for something better

A

F#M

You know in my life nothing is going to change but the weather

G#7

It seems it been forever since we really stucked together

C#M

I m living a crazy life and wish that you could see it too

B

See a thousand people sing my song from me to you

A

F#M

Every time I sing it, you know I m bleeding too

G#7

Man, I accept you as you are and I don t need the truth

[Chorus]

C#M

I got my head up

B

But I ain t got my whole time

A

F#M

See, I know you re a good man

G#7

And thats what, brings the tear to my eye

C#M

And I m like, Ohhhh...

B

I hope you know you re not alone in that hell

G#7

No one can change it. No one can do it better but yourself

[Verse 3]

C#M

I reminisce to back then when it was you and I

B

Smoking big fat blonds, driving, moving ahead

A

They tried to get you down

F#M

But you refused to die

G#7

They tried to give you angel wings

But you refused to fly

C#M

You ld rather stay in Hell

B

And take your time in jail

A

They are only punishing the soldier you will never sale

F#M

We both know that we owe nothing to each other

G#7

But can you blame me for nothing than missing my brother

C#M

Ohhhh...

B

I hope you know that you are not alone in that hell

A F#M

And there ain t Noooo

G#7

No one can change it. No one can do it better but yourself

C#M

Ohhhh...

B

I hope you know that you are not alone in that hell

A F#M

And there ain t Noooo

G#7

No one can change it. No one can do it better but yourself
