They tried to get you down

But you refused to die

Bb7

They tried to give you angel wings

But you refused to fly

Ebm

You ld rather stay in Hell

C#

And take your time in jail

B

They are only punishing the soldier you will never sale

We both know that we owe nothing to each other

Bb7

But can you blame me for nothing than missing my brother

Ohhhh...

I hope you know that you are not alone in that hell

B G#M

And there ain t Noooo

Bb7

No one can change it. No one can do it better but yourself
