Stick Around
Lukas Graham

[Intro] **D   Em   Bm   Bm**
       D   Em   Bm   Bm

   D   **Em**
If my memory serves me right
    Bm   **G**
I would tuck you in almost every night
    D   **Em**
Saying, Sweet dreams and Good night
   Bm   **G**
Right before I turned off all the lights

 Em   **Bm**   **A**   **A**
But sweet dreams can turn into nightmares
   Em **G**   **F#**   **F#**
When our heroes are no longer out there

  G   **Bm**
I m sorry to say that the smiles that I give you
 D   **D/F#**   **G**
One day will be tears in your eyes
 G   **Bm**
I m sorry to give you these memories
    D   **D/F#**   **G**
 Cause memories like this will one day make you cry
   Em   **Bm**
But I ma stick around
         A   **D   Em   Bm   Bm**
I promise you that I will stick around for now

    D   **Em**
Let these memories serve you right
  Bm   **G**
When I m no longer right by your side
   D   **Em**
Hope you, by then. learned to fly
   Bm   **G**
And take with you the good things in life

     Em   **Bm**   **A**   **A**
Don t let your big dreams don t turn into nightmares
   Em **G**   **F#**   **F#**
When our heroes are no longer out there

  G   **Bm**
I m sorry to say that the smiles that I give you
 D   **D/F#**   **G**

```
One day will be tears in your eyes
     G                    Bm
I m sorry to give you these memories
            D           D/F#       G
 Cause memories like this will one day make you cry
       Em           Bm
But I ma stick around
                 A                G
I promise you that I will stick around for now

         Em     Bm
And right now, my light is shining
     F#                  G
Though one day that too will go out
        Em
But for now
        F#
I m gonna stick around

    G                    Bm
I m sorry to say that the smiles that I give you
    D        D/F#          G
One day will be tears in your eyes
     G                    Bm
I m sorry to give you these memories
            D           D/F#       G
 Cause memories like this will one day make you cry
       Em           Bm
But I ma stick around
                 A                D    Em    Bm    Bm
I promise you that I will stick around for now
    D    Em Bm G
For now

( D )
```
