

Youre Not There
Lukas Graham

Bb **C**
I only got you in my stories
F
And you know I tell them right
Dm
And remember you and I, when I m awake at night
Bb **C**
So give it up for fallen glory
F
I never got to say goodbye
Dm
I wish I could ask for just a bit more time

[Pre-Chorus]

Bb **C**
Every step I take, you used lead the way
F **Dm**
Now I m terrified to face it on my own

[Chorus]

Bb
You re not there
C
To celebrate the man that you made
F
You re not there
Dm
To share in my success and mistakes
Bb
Is it fair?
C
You ll never know the person I ll be
F
You re not there
Dm
With me...

[Verse 2]

Bb **C**
Though I know that you re not there
F
I still write you all these songs
Dm

It s like, you ve got the right to know what s going on
Bb **C** **F**
As I struggle to remember how you used to look and sound
Dm
Sometimes i still think i can spot you in the crowd

[Pre-Chorus]

Bb **C**
Every step I take, you used lead the way
F **Dm**
Now I m terrified to face it on my own

[Chorus]

Bb
You re not there
C
To celebrate the man that you made
F
You re not there
Dm
To share in my success and mistakes
Bb
Is it fair?
C
You ll never know the person I ll be
F
You re not there
Dm
With me...

[Break]

Bb
Time can heal your wounds if
C
You re strong and standing tall
F **Dm**
I ve been doing all of that, it didn t help at all
Bb **C**
They say You ll grow older, and it ll get better still
F
Yes, I will, but no it won t
Dm
They don t get it, cause...

[Chorus]

Bb
You re not there
C
To celebrate the man that you made

F

You re not there

Dm

To share in my success and mistakes

Bb

Is it fair?

C

You ll never know the person I ll be

F

You re not there
