

I Love Myself Today

Lukas Rossi

I Love Myself Today

Verse: **Em/G, D/F#, G**

You showed me another side of me
Another side i never thought i could be
I wanna change, rearrange, I know i could be something
(**Am** instead of **G**)

I know, I know, I know I m gettin better

Pre chorus: **Am, C, G, D, Am, C**

You can say what you believe
Tell me I m not worth it maybe I d agree
Well I know that it s your stones
No they will not break my bones
You can say it all you want

Chorus: **G, D, Am, C**

I love myself today
No matter what you say
I love myself today
And it feels so good

Verse 2: same as 1

My diary is just too much to read
I killed the past but learned to love all the memories
Like the cares and the big white lines on the highway
You see now I feel i can live forever

Pre chorus: **Am, C, G, D, Am, C**

You can say what you believe
Tell me I m not worth it maybe I d agree
Well I know that it s your stones
No they will not break my bones
You can say it all you want

Chorus: **G, D, Am, C**

I love myself today
No matter what you say
I love myself today
And it feels so good

Bridge: **D, C, G**

Even now i see the darkness disappear
Shadows in these big black clouds is all I fear
Even now the more you push I disappear
Hear me now the more I see it s all so clear

Chorus: **G, D, Am, C**

I love myself today

No matter what you say

I love myself today

And it feels so good

I love myself today

No matter what you say

I love myself today

And it feels so good
