

Been There Done That
Luke Bryan

A **E**
Girl you and me ain t talking much
F#m
I just slam the door and leave in my truck
Dsus2
There ain t nothin left for us I think enough s enough
A **E**
I look down see your name there on my phone
F#m
Then I hit ignore and just drive on
Dsus2
We ve been living like this too long
Bm **A**
And there ain t no reason to turn around, baby you can have it all

A
I ain t, I ain t coming back
E
I ve already been there done that
Dsus2
And I m done with you messing with my mind
E
The last time s the last time baby
A
I can only change who I am so much
E
And all I can give is all my love
Dsus2
And my love ain t never been enough
Bm **A** **Dsus2**
So I ain t coming back,
I ve been there done that

A **E** **F#m** **Dsus2**

A **E**
Street by street and town after little town
F#m
Feels like I m on the right road now
Dsus2
I bet you re probably wondering how I could just walk out
A **E**
I put you high up as I could
F#m
And I know I ve done everything I should

Dsus2

To try to make a bad thing good

Bm

A

I guess it just took too long for me to see

Dsus2

We weren't meant to be

A

I ain't, I ain't coming back

E

I've already been there done that

Dsus2

And I'm done with you messing with my mind

E

The last time's the last time baby

A

I can only change who I am so much

E

And all I can give is all my love

Dsus2

And my love ain't never been enough

Bm

A

Dsus2

So I ain't coming back,

I've been there done that

A E F#m D

Bm

A

Dsus2

I'll wake up, and I'll start to second guess myself

Bm

A

Dsus2

And I'll crave your touch, oh but I know too well...

A

I ain't, I ain't coming back

E

I've already been there done that

Dsus2

And I'm done with you messing with my mind

E

The last time's the last time baby

A

I can only change who I am so much

E

And all I can give is all my love

Dsus2

And my love ain't never been enough

Bm

A

Dsus2

So I ain't coming back,

Bm

A

Dsus2

No, I ain't coming back

I ve been there done that

A E

F#m D

Baby I ve been there done that
