

Beer In The Headlights
Luke Bryan

****Standard Tuning or Half-Step Down with Capo on 1st Fret**)**

Intro Chords: **G - Dm ,o(pause) G Bm A x2**

Verse: **G - Dm ,o- Em - A**

G - Dm

Honey suckle in the air, breeze blowing through your hair

Em - A

Hundred stars hanging high, under your still tideai

G - Dm ,o

Up in every move you make, baby I m your DJusa

Em - A - (* G First Verse Only)

Your my favorite song, won t you let me sing-a-long

Chorus: **G - Bm - A**

G - Bm - A

Sittin right here, out here in the middle of nowhere

G - Bm - A

I swear I ve never seen, ever seen nothing like you anywhere

G - Bm - A

I got the key turned back, windows down, I m turning it up and your Spinnin
around

G - Bm - A

takin a sip, swingin your hips, girl your looking so Fine
(pause)

G - Bm - A

with your beer in the headlights

Verse: **G - Dm ,o- Em - A**

Heart beating like a drum, call me the lucky one

Shining these Hi-Beams on you baby, boots stiring up the dirt

Cottonfield concert, you got the beautiful, I got the cooler full

Chorus: **G - Bm - A**

Sittin right here, out here in the middle of nowhere

I swear I ve never seen, ever seen nothing like you anywhere

I got the key turned back, windows down, I m turning it up and your
Spinnin around, takin a sip, swingin your hips, girl your looking so
Fine, with your beer in the headlights

G - Bm - A

With your beer in the headlights,

Bridge: **G - Dm ,o- Em - A**

Sittin right here, out here in the middle of nowhere, nowhere
I swear I ve never seen, ever seen nothing like you anywhere
Ohhh ohh ohhh

G - Bm - A

I got the key turned back, windows down, I m turning it up and your
Spinnin around, takin a sip, swingin your hips,
Girl your looking so fine, with your beer in the headlights

G - Bm - A

With your beer in the headlights
With your beer in the headlights
With your beer in the headlights
