

Beer In The Headlights
Luke Bryan

Standard Tuning or Half-Step Down with Capo on 1st Fret)

Intro Chords: **F# - C#m** ,o(pause) **F# Bbm G#** x2

Verse: **F# - C#m** ,o- **Ebm - G#**

F# - C#m

Honey suckle in the air, breeze blowing through your hair

Ebm - G#

Hundred stars hanging high, under your still tideai

F# - C#m ,o

Up in every move you make, baby I m your DJusa

Em - A - (* G First Verse Only)

Your my favorite song, won t you let me sing-a-long

Chorus: **F# - Bbm - G#**

F# - Bbm - G#

Sittin right here, out here in the middle of nowhere

F# - Bbm - G#

I swear I ve never seen, ever seen nothing like you anywhere

F# - Bbm - G#

I got the key turned back, windows down, I m turning it up and your Spinnin
around

F# - Bbm - G#

takin a sip, swingin your hips, girl your looking so Fine
(pause)

F# - Bbm - G#

with your beer in the headlights

Verse: **F# - C#m** ,o- **Ebm - G#**

Heart beating like a drum, call me the lucky one

Shining these Hi-Beams on you baby, boots stiring up the dirt

Cottonfield concert, you got the beautiful, I got the cooler full

Chorus: **F# - Bbm - G#**

Sittin right here, out here in the middle of nowhere

I swear I ve never seen, ever seen nothing like you anywhere

I got the key turned back, windows down, I m turning it up and your

Spinnin around, takin a sip, swingin your hips, girl your looking so

Fine, with your beer in the headlights

F# - Bbm - G#

With your beer in the headlights,

Bridge: **F# - C#m ,o- Ebm - G#**

Sittin right here, out here in the middle of nowhere, nowhere
I swear I ve never seen, ever seen nothing like you anywhere
Ohhh ohh ohhh

F# - Bbm - G#

I got the key turned back, windows down, I m turning it up and your
Spinnin around, takin a sip, swingin your hips,
Girl your looking so fine, with your beer in the headlights

F# - Bbm - G#

With your beer in the headlights
With your beer in the headlights
With your beer in the headlights
