Capo 1

Intro: **D** **Em** **G**

Verse 1

**D** **A**  
I m gonna find a way to love again  
**Bm** **G** **D**  
I m on the winnin stretch of a losin end  
**D** **A** **Bm**  
Foot on the gas, I m freedom bound  
**G** **D**  
I ve got the morning sun at my back, and I m inspired  
**A** **G**  
Nothing can slow me down  
**A** **G** **A**  
She used to get me. I was held back by her memory.

Chorus:

**D** **Bm**  
Let the highway sing  
**G** **A**  
A song of a new beginning, keep these wheels a spinnin .  
**D** **Bm**  
Gonna hammer down  
**G** **A**  
While the distant sky is wakin , light behind me s breakin.  
**C** **Bm** **G**  
I found a better way, in the form of a Chevrolet.

Verse 2

**D** **A**  
A strange reminder of how I walked a step behind her  
**Bm** **G** **D**  
Back here in the shadows of an 18-wheeler  
**D** **A**  
Where I m headin I still don t know  
**Bm** **G**  
But I caught the wind of an AM station  
**D** **A**  
Blarin on my radio.

**G**            **A**            **G**  
I ain t lookin back.

**A**  
I never though I could say that. Soâ€|

Chorus
