Drink A Beer
Luke Bryan
[Intro]
G Cadd9
[Verse 1]
                               Cadd9
When I got the news today,
I didn t know what to say,
                             Cadd9
So I just hung up the phone.
I took a walk to clear my head
Cadd9
And this is where the walking lead.
                                  Cadd9
Can t believe you re really gone
Cadd9
I don t feel like going home
[Chorus]
So I m gonna sit right here,
On the edge of this pier
                    Cadd9
                               G
And watch the sunset disappear
D (single strum)
And drink a beer.
[Verse 2]
Funny how the good ones go,
Cadd9
                                       D
Too soon but the good lord knows
                       Cadd9
The reasons why I guess.
Sometimes the greater plan
Cadd9
Is kinda hard to understand
Right now it don t make sense.
I can t make it all make sense.
[Chorus 2]
```

```
So I m gonna sit right here,
On the edge of this pier
                    Cadd9
And watch the sunset disappear
And drink a beer
[Bridge]
                Em
Cadd9
              D
                              D
                                   Cadd9
So long my friend, until we meet again
          Cadd9
                   D
Well I ll remember you
            Em D Cadd9
And all the times that we used to
[Chorus 3]
Sit right here,
On the edge of this pier
                                  G
                    Cadd9
And watch the sunset disappear
And drink a beer
