

I Did It Again
Luke Bryan

Capo 2

D **Asus**
It took me and four of my buddies
Em **G**
Half the night to pull out my truck
D **Asus**
I stood there and proclaimed to everybody
Em **G**
It s the last time I ll mess with this mud
Em
The boys they all grinned
D
And two nights from then

Chorus

NC **D** **Asus**
I did it again just one more time
Em **G**
Even I swore that I d lost my mind
D **Asus**
But I turned right around and just like a fool
Em **G**
Did what any old country boy d do
NC **D**
I did it again

I took my first sip of cold beer
And tried not to spit it back up
I set it back down on that tailgate
Told myself I d had enough
Then like a real man
I took hold of that can, and

Chorus

D **Asus**
I guess I m a slow learner, I ought to know better
Em **G** **D**
Than to do what I do, but I ain t no quitter

The other night we got a little rowdy

I woke up with one eye swole shut
Yeah things got out of hand at that party
I said that s it, it s bout time I grow up
But that next weekend, I called all my friends and

Chorus
