## I Did It Again Luke Bryan

Capo 2

D Asus

It took me and four of my buddies

Em (

Half the night to pull out my truck

D Asus

I stood there and proclaimed to everybody

3m

It s the last time I ll mess with this mud

Em

The boys they all grinned

D

And two nights from then

Chorus

NC D Asus

I did it again just one more time

Em G

Even I swore that I d lost my mind

D Asus

But I turned right around and just like a fool

Em G

Did what any old country boy d do

NC D

I did it again

I took my first sip of cold beer
And tried not to spit it back up
I set it back down on that tailgate
Told myself I d had enough
Then like a real man
I took hold of that can, and

Chorus

D Asus

I guess I  $\ensuremath{\mathrm{m}}$  a slow learner, I ought to know better

₹m G

Than to do what I do, but I ain t no quitter

The other night we got a little rowdy

I woke up with one eye swole shut Yeah things got out of hand at that party I said that s it, it s bout time I grow up But that next weekend, I called all my friends and

Chorus
