Luke Bryan

INTRO

G - D - C - G - D

VERSE

G

There s a fifty-fifty chance

That the room ain t ready

D

Odds are, the cooler s too heavy,

C

G

D

To tote down to the beach all by myself

G

I d be willing to bet,

By the end of the week

D

I ll pass out in room 319

C

And to round up all my clothes

G

D

I might need a little help

CHORUS

G

But it s a shore thing,

The sun will be shinning,

D

On my cold drink,

And I ll be lying

C

On a miller light towel

Havin happy hour

G

D

All day long in the sand

G

We may never sleep

D

We may never leave

C

Raise too much hell

Never make bail

G

D

But in the morning it ll be alright

C

Cause it s a shore thing

G

D

We re getting tore down tonight

VERSE

G

I think it s safe to say

I ll make a few new friends

D

Take us out at a bar

Throw a beer on the band

C

G

D

Toss down head into a parking lot road

G

And I wouldn t be surprised

If my ex shows up

D

Huggin all over some dude in his truck

C

I guess down here

That s the way things go

D

But I ll be fine

Cause all I know

CHORUS

G

It s a shore thing,

The sun will be shinning,

D

On my cold drink,

And I ll be lying

C

On a miller light towel

Havin happy hour

G

D

All day long in the sand

G

We may never sleep

D

We may never leave

C

Raise too much hell

Never make bail

G

D

But in the morning it ll be alright

C

Cause it s a shore thing

G

We re getting tore down tonight
