[Verse 1]

**E** **B**  
She was sittin all alone over on the tailgate  
**F#**  
Tan legs swingin by a Georgia plate  
**E**  
I was lookin for her boyfriend  
**B** **F#**  
Thinkin , no way she ain t got one  
**E** **B**  
Soon as I sat down I was fallin in love  
**F#** **G#m** **F#**  
Tryin to pour a little sugar in her Dixie cup  
**E** **B**  
Talkin over the speakers in the back of that truck  
**F#**  
She jumped up and cut me off

[Chorus]

**E** **B**  
She was like, oh my God, this is my song  
**F#** **G#m** **F#**  
I ve been listenin to the radio all night long  
**E** **B** **F#**  
Sittin round waitin for it to come on and here it is  
**E** **B**  
She was like, come here boy, I wanna dance  
**F#** **G#m** **F#**  
Fore I said a word, she was takin my hand

**E** **B**  
Spinnin me around til it faded out  
**F#**  
And she gave me a kiss  
**E** **B** **F#**  
And she said, play it again, play it again, play it again  
**E** **B** **F#**  
And I said, play it again, play it again, play it again

[Verse 2]

**E** **B**  
I d have gave that DJ my last dime  
**F#**  
If he would have played it just one more time  
**E**  
But a little while later  
**B** **F#**  
We were sittin in the drive in my truck  
**E**  
Before I walked her to the door  
**B** **F#** **G#m** **F#**  
I was scannin like a fool AM, FM, XM too  
**E** **B**  
But I stopped real quick when I heard that groove  
**F#**  
Man, you should have seen her light up

[Chorus]

**E** **B**  
She was like, oh my God, this is my song  
**F#** **G#m** **F#**  
We ve been listenin to the radio all night long  
**E** **B** **F#**  
I can t believe that it came back on and here it is  
**E** **B**  
She was like, come here boy, I wanna dance  
**F#** **G#m** **F#**  
Fore I said a word, she was takin my hand  
**E** **B** **F#**  
Spinin in the headlights she gave me a goodnight kiss  
**E** **B** **F#**  
And I said, play it again, play it again, play it again  
**E** **B** **F#**  
And she said, play it again, play it again, play it again
