Yeah take a walk, take a breath, oh give it all a rest  
Take a cane pole to the fishing hole and catch a couple fish  
And just like that toss em back and make a little wish

Don t worry bout nothing  
Let it go, see what tomorrow brings  
Don t worry bout it, stress about it, fret about it  
Don t worry bout nothing  
Let it go, see what tomorrow brings  
Don t worry bout nothing  
Pray about everything, Yeah, pray about everything
