

Someone Else Callin You Baby

Luke Bryan

Capo 1

Verse:

G

I saw a truck backin out of your drive

G

You were sitting in the passenger side

Em **C** **G**

Messin with the radio, you had your sun glasses on.

G

I pulled over cause I couldnt believe

G

Two weeks ago that was you and me

Em **C** **G**

Riding down these old back roads, singing our songs

Em **C**

Now everybody round our towns been whisperin

Em **Am** **D**

A tear in your eye says I should have been listenin

Chorus:

G

Em

Baby is someone else calling you baby

Am

Its driving me crazy

G **D**

This bein in the dark

G

Goodbye aint never easy so break it to me hard

Em

If youre over my love girl, lay it on my heart

Am

Dont try to save me

C

G

Is someone else calling you baby?

Verse 2:

G

You wanted time and you wanted your space

G

So I backed off, did whatever it takes

Em **C** **G**

Never really thought you were that ready for moving along

Bm **C**

Now I aint leaving till I hear you say whats going on

Bm

Itll be what it will be, its either him or me

Am

D

Give me the word and girl Im gone
