

## We Rode In Trucks

Luke Bryan

intro

**D G D G**

**D**

**G**

down where i was born was heaven on earth the flint river washes that red

**D**

**E**

**G**

georgia dirt the sun set slow and the stars shine bright we raised cotton

**G**

and corn a little cane and kids you either lived on a farm or wished u did

**D**

**E**

and jesus always walked close by our side because where i grew up

we rode in trucks

**D G D G**

**D**

**G**

theres alot about life you can learn on a bus how to lie how to kiss how to

**D**

**G**

**E**

cuss the closer we sat to the back the the smarter we got we were poor we

**G**

**D**

were ugly we were all best friends wide eyed baptised and still wanting to
