

We Rode In Trucks

Luke Bryan

intro

D G D G

D

G

down where i was born was heaven on earth the flint river washes that red

D

E

G

georgia dirt the sun set slow and the stars shine bright we raised cotton

G

and corn a little cane and kids you either lived on a farm or wished u did

D

E

and jesus always walked close by our side because where i grew up

we rode in trucks

D G D G

D

G

theres alot about life you can learn on a bus how to lie how to kiss how to

D

G

E

cuss the closer we sat to the back the the smarter we got we were poor we

G

D

were ugly we were all best friends wide eyed baptised and still wanting to

sin
