

Happy
Luke Conard

Intro: **Em, D, A, Am**

Em

Chorus: Are you happy now?

D

Have you got it all figured out?

A

I hope you re living large.

Am

Take another fool and break his heart.

Em

Are you better now?

D

Everything you ve dreamed about?

A

Someone rich and you ll fall in love,

Am

But it s not him you re thinking of.

Em D A Am

Em

D

Versel: Take these memories, throw them all away

A

Am

So I can t recall the pain of yesterday.

Em

D

Take my broken core, far away from here.

A

Am

But every place i go i just want to disappear.

[Chorus]

Em

Verse2: When did you lose your smile?

D

A

I tried to be strong. Lifting the veil i was

Am

the fool all along.

Em

D

So much more complex. Carnal through and through.

A

Am

Kept your secrets burried deep, but now i see right through you.

Em

D

Bridge: I m glad that I ve escaped the wake of your destructive

A

Am

Path.

Em

D

These scars they ll last forever, but now I

A

Am awake, so

Am

Alive!

[Chorus]

Em D A

Am

Outro: But it s not him you re thinking of.
