

Yeah, you can come undone

**F** **G**  
But you gotta have a heart to have a broken one.

**F-C-G-C**

(Play intro notes while strumming chords)

VERSE

**C** **F**  
You can take your accusations.  
**C** **Fmaj7** **C**  
You can have all your records back.  
**C** **G**  
You can have an opinion or a heart attack,

**F**

**C** **Fmaj7**  
Cause if you lose a kindred spirit,  
**C** **F**  
you ll find another one.

**G** **F** **C-G-C**  
But you ve gotta to pull the trigger to have a smoking gun.

CHORUS (no fingerpicking this time)

(Play intro notes while strumming chords)

(Solo ends on a C. walk up through notes D and E to...)

**G** **F** **C**  
Oh my girl, it must be so tight in your skin  
**G** **F** **G**  
Cause there s no room to breathe- this fantasy you re living in.

**C**  
I need a new perpective,  
**F** **C**  
I need a fresh start.

**G**  
I need a girl like you like a stolen car

**C**  
Because we all love the joyride

**C** **F**  
until you wind up dead.

**G** **F** **C-G-C**  
You see, you don t need a heart to have a swollen head

CHORUS (again no fingerpicking)

CHORDS:

**C**: x32010

**Fmaj7**: x03210

**F:** 133211

**G:** 320003
