Always seems to find a way

To say all the things I m too afraid
Dm7 **B**
Would you come on up and stay

Look outside the window dear

Tonight, tonight, yeah

Stop trying not to feel this way
Stop listening to what they say
We ve heard it all before
Well not this time
Cos I ve heard it all before
I m not listening anymore
Cos you still seem to bring me back to life
Would you bring me back to life?
Would you bring me back to life?
Would you bring me back to life?

F **C** **F** **B**
Say you ll stay with me tonight
F **C** **F** **B**
Say you ll hold me all the while
F **C** **F** **B**
Say you ll stay with me tonight
F **C** **F** **B**
Tonight, tonight, yeah
